

Senate Meeting Minutes

09/26/2016

Call to order: 12:01 pm

Last meeting minutes: approved at 12:02 pm

Greeted President Helens and thanked her for her attendance.

Old Business: Club contact sheets were collected, a few clubs are still working out leadership and asked for an extension. Pledge cards were available to representatives to take back to their clubs to push the GOTV campaign.

New Business:

Yocelin Ramirez was appointed to Student at Large at 12:11 pm. Jason Rosinger re-scheduled for October 10th. Briefly talked about the health fee, the current dollars from the health fee covers a secondary insurance policy for all students. Students are encouraged to maintain a primary insurance as the coverage of this secondary policy is minimal and intended to help with some of the leftover costs after deductibles and copays.

Announcements:

Stacy Griffey is looking for students to join the Retention Committee. The 10th did not work out but we will be working on arranging a date to hear about the Retention Committee and their goals as a committee.

The executive cabinet has set a goal to obtain 80% of the goals outlined by the Star Campus award. Star campus goals are outlined in the MSCSA Survival Guide, if you have any questions about the goals contact Brian at aschbr84@my.sctcc.edu . Goals you can help with are artwork donations to MSCSA, we're looking for at least two, and 300 word nominations for various awards.

- Student Leader of the year
- Governing Council Member of the year
- Platform Committee Member of the year
- Student Senate of the year
- Advisor of the year
- Instructor of the year
- College President of the year
- Alumni of the year

Dental has coupon books available for purchase, \$25 for the book which has \$1300 in coupon value. Dental also offers cleanings for \$25 to students, \$35 to \$70 for non students.

ADDA is selling etched glass cups for \$5. They can also etch mirrors as well, you choose the designs.

Nursing will be holding a blood drive in October, the date is posted around campus.

Athletics would appreciate more student support at games, go watch our teams play and cheer them on!

Automotive is always willing to do repair work on your vehicle, the cost is 20% over parts, they send out e-mails so you can help bring in something they're learning about.

President Helens is excited about getting a coffee shop on campus in the future.
