

St. Cloud Technical College Policies and Procedures Chapter S3 – Educational Policies

S3.5 Academic Forgiveness

Update Revision Responsibility: Vice President of Academic Affairs

Students who have earned a cumulative grade point average of less than 2.0 may have the grades earned during that period of attendance forgiven. Academic forgiveness may only be granted once and is limited to St. Cloud Technical College coursework. The student:

- May not be enrolled at St. Cloud Technical College for at least three years prior to re-enrollment.
- Must complete one term of full-time enrollment or equivalent with a grade point average of 2.0.
- Must petition for academic forgiveness from the Academic Appeals Committee using the Academic Policy Appeal Form available in the office of Records and Registration.

The Academic Appeals Committee will review student appeals. If academic forgiveness is granted, the office of Records and Registration will make the following changes to the student's academic transcript.

1. All D or F grades earned in courses taken prior to the date of forgiveness will remain on the transcript, but will no longer calculate in the GPA.
2. Academic forgiveness does not extend to financial aid. All credits and all grades attempted will be included when determining satisfactory academic progress for financial aid purposes.
